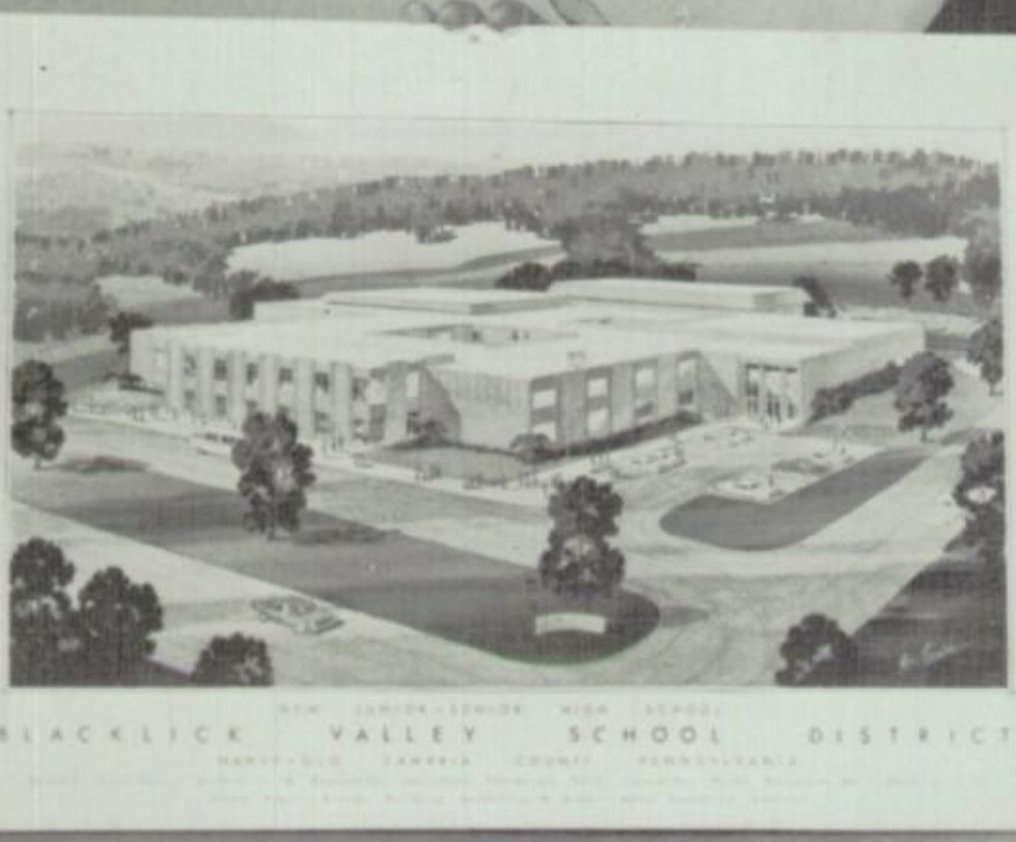
Lisa, although you left us while we were Freshmen, in our memories and thoughts, you are still a part of the Class of 1978.

Sadly Missed by,
Classmates and Friends



Mario J. Creany

We, the Class of 1978, dedicate this yearbook to Mr. Mario J. Creany in recognition for all that he has done for us and our school district.

In his 32 years of service to Nanty Glo and to the schools of Nanty Glo and surrounding communities, Mr. Creany has provided the citizens with two exceptionally fine educational facilities through his diligent guidance.

In September of 1969, our hew high school building was opened. Since then, its curriculum, as well as its equipment have been updated, making the students of the valley able to compete very adequately with students in other areas of Pennsylvania. This was also made possible by the help of Mr. Creany.

Active in many civic and social organizations, Mr. Creany has greatly contributed to his community and his fellow citizens.

Again, we wish to thank Mr. Creany.
